Lower Mekong Study Tour (2023)

In January 2023, the East-West Center, in partnership with the U.S. Consulate in Chennai, took seven Indian journalists on a study tour in Cambodia to increase knowledge and information in India on the Lower Mekong Region. The journalists learned about river conservation, economic development, and US foreign policy in the region.

Young Professionals Program

The *Young Professionals Program* offers students and recent graduates the opportunity to gain first-hand training experience working at a US-Indo-Pacific research and education organization in Washington, DC. Participants create content, collaborate on research, and assist at events.

PARTICIPANTS FROM

The East-West Center promotes better relations and understanding among the people and nations of the United States, Asia, and the Pacific through cooperative study research and dialogue. Established by the US Congress in 1960, the Center serves as a resource for information and analysis on critical issues of common concern, bringing people together to exchange views, build expertise, and develop policy options. The East-West Center in Washington, a program of the East-West Center, advances US-Indo-Pacific relations by creating innovative content, publications, exchanges, and outreach activities.
